**Port Townsend Wearable Art Show  
Now Accepting Artist Entries for 2014 Show**

The Port Townsend Wearable Art Show is now accepting entries for its 4th annual wearable art runway show. The show, produced in collaboration with Key City Public Theater, is a benefit for the Jefferson County Community Foundation - Fund for Women and Girls and will be held on Saturday, May 10, 2014 in Port Townsend.

Seeking exceptionally creative and innovative work, the show offers several cash and in-kind awards, including a \$500 First Place prize. Work can be in any medium, but must be wearable by a live model during the show. Our juror is Michael Cephress, designer and former wearable art instructor at University of Washington, Seattle.

Entries are due January 21, 2014 at 5 pm, and applications can be downloaded now at [www.ptwearableart.com](http://www.ptwearableart.com), [www.jccfgives.org](http://www.jccfgives.org), or on our Facebook page. Tickets sales for the show will begin on the websites on December 1.

Sponsors for this year's show include OSKA-Seattle, Waterbirth Solutions, Hasse & Co - PT Sails and Port Townsend Paper.
