Information about our annual PT Wearable Art Show can be found on our website: www.ptwearableart.com or on our Facebook Page "Port Townsend Wearable Art Show." Take a moment to look at the videos and pictures to get an idea of the types of pieces that are entered and why this show is such a success.

We anticipate that this Student Show is a stepping stone to entry and success at our larger annual event. Entering a piece at this Student Show does not preclude a student from entering WAS 2018 with same piece. An After Show Consultation will be available for all participants.

This Student Show is sponsored by the Jefferson Community Foundation **Fund for Women & Girls** that gives grants to local non-profit organizations that present projects that enhance the lives of women and girls in our community.

Thank you for your interest and we hope you'll be a part of our 2017 show!
